HOW TO APPLY ONLINE

Before you begin it may be helpful to have your abstract (up to 300 words) and brief biography in MS Word format that you can cut and paste into the appropriate sections of the outline form. All abstracts must be submitted online and all information fields requested must be completed. Please visit www.nln.on.ca.

THEMES AND CLUSTER

The theme “**Innovations in Care Delivery: Balancing the Focus on Clients, Providers and Leaders**” and the clusters below are intended to stimulate you to share your knowledge, experience and research in nursing leadership.

- **Leadership development and succession planning**
- **Collaborative practice models within and across sectors**
- **Optimizing health human resources – innovative roles and programs**
- **Care delivery models – optimizing scope of practice and client outcomes**
- **Professional well being – taking care of self and others**

CONTENT

Your abstract should state the problem, issue or project in the first paragraph. Briefly describe the approach in which the problem, issue or project was addressed and describe the findings, conclusions or solutions. Clearly state the relevance to nursing leadership and discuss the application to other settings. Authors are expected to follow the outlined sections of the online submission form including the description of the key learning outcomes for their presentation.

SELECTION PROCESS

All abstracts received by the deadline date will be subjected to a “blind” peer review. Selection criteria include relevance to the conference theme, scholarship, creativity and application to nursing leadership. This year, emphasis will be on completed work with clear “take away messages” for nursing leaders, as well as innovative contribution to the health care system. Abstracts that do not follow the guidelines will not be reviewed.

NOTIFICATIONS

All abstracts will be automatically acknowledged by email upon successful online submission. Selection will be completed and acknowledged by **email by Thursday, November 19th, 2018.**

ACCEPTANCE PROCESS

Successful authors must indicate their intent to present by **Monday, December 3rd, 2018** to be included in the conference program and brochure. Members of the Conference Planning Committee will be available to coach authors as they develop their presentation to fit the conference theme and objectives if requested.

OTHER INFORMATION

All presenters are responsible for all expenses incurred and must register for the conference. There will be approximately 24 papers and 30 posters included in the program.
