

Celebrating

20 years

of BPSOs®

(2003-2023)

Celebrating our Global Commitment to Evidence-based Cultures

RNAO's Annual Best Practice Spotlight Organization® (BPSO) Knowledge Exchange Symposium is taking place at Hilton Toronto's hotel. This event invites provincial, national, and international BPSOs to come together to network, share, learn and continue to spread the global social movement. We aim to celebrate our collective international commitment to enhancing evidence-based cultures and the impact on quality outcomes for persons, providers, organizations, and health systems.
