

About RNAO's Executive Network Structure

RNAO is led by registered nurses, nurse practitioners and nursing students across Ontario. To help support members involved in speaking out for nursing and speaking out for health, we have an executive network structure. This structure pairs executive members representing interest groups, chapters, and regions without chapters with resources and support from home office. The executive roles included in this structure are:

- President/Chair
- Communications Executive Network Officer
- Social Media Executive Network Officer
- Finance Executive Network Officer
- Membership Executive Network Officer
