Actions Taken:

- The [Ontario government](#) has appointed Dr. Jane Philpott as the special advisor to support the design and implementation of the new Ontario Health Data Platform (formerly known as PANTHR). This data platform will provide recognized researchers and health system partners with access to anonymized health data that will allow them to better detect, plan, and respond to COVID-19. As well, this platform will support projects from the [Ontario COVID-19 Rapid Research Fund](#).
- Guidance for Summer Day Camps has been posted on the ministry's [website](#).
