 - Italy instituted a mandatory quarantine for 16 million people in the northern part of the country that includes Milan and Venice until April 3, 2020.

Actions Taken:

- The Public Health Agency of Canada has developed two new guidance documents for health system partners:
 - - [Community-based measures to mitigate the spread of coronavirus disease \(COVID-19\) in Canada](#)
 - [Risk-informed decision-making for mass gatherings during COVID-19 global outbreak](#)
 - Future scenario planning is currently underway amongst provincial partners and stakeholders at regional levels and within many sectors. Further information will be communicated as the process evolves.

- As a reminder, the ministry can be contacted through the Health Care Provider Hotline for policy guidance related to COVID-19. At this time, the hotline is unable to provide clinical advice regarding the management of cases.

Next Steps:

- The ministry is updating guidance documents and will distribute them once they are complete.
- The ministry will work with and support local partners and the federal government to support repatriated citizens.
- The ministry continues to work with health system partners to understand their needs with respect to personal protective equipment and other supplies.
