- 483 new cases were reported today in Ontario, bringing the cumulative total to 5,759 (this includes 2,305 resolved cases and 200 deaths).
- In Ontario, a total of 88,698 people have been tested, with tests performed at Public Health Ontario Laboratories and non-Public Health Laboratories. There are currently 1,208 tests under investigation.
- 632 patients are currently hospitalized with COVID-19; 264 are in ICU; and 214 are in ICU on a ventilator.

Actions Taken:

- The ministry's [website](#) has been updated with links to memos that have been sent to the health sector. Several are still outstanding, but will be uploaded in short time.
- The Government of Ontario [announced](#) it is partnering with SPARK Ontario to help seniors and the most vulnerable stay connected and healthy as they self-isolate during the COVID-19 outbreak.
