<b>Canada</b>	50,026	+1,526	2,859	+152

- 347 new cases were reported today in Ontario, bringing the cumulative total to 15,728 (this includes 9,612 resolved cases and 996 deaths).
- In Ontario, a total of 264,594 tests have been completed, with tests performed at Public Health Ontario Laboratories and non-Public Health Laboratories. There are currently 9,530 tests under investigation.
- 977 patients are currently hospitalized with COVID-19; 235 are in ICU; and 186 are in ICU on a ventilator.

## Actions Taken:

- The Government of Ontario [announced](#) it is further expanding the list of essential workers eligible to receive free emergency child care during the COVID-19 outbreak. Those who will benefit include people who work in the food supply chain, retirement homes, grocery stores and pharmacies, and certain federal employees, including the military.
- A new memo was issued today regarding transfers from hospitals and the community to long-term care homes. It is attached.
