

Supporting NPs in LTC through COVID-19

Meeting #14- May 27, 2020

Agenda Items	Discussion Points
Long-Term Care Update	<ul style="list-style-type: none">• Premier Ford responded to the Twitter campaign and changed the starting of the LTC commission from September to July -- tweeting makes a difference! We urge all NPs to become active in Twitter (start by following RNAO, your RNAO chapter or region, interest groups and RNAO CEO Doris Grinspun).• RNAO calls for Immediate Action in Response to the Canadian Armed Forces' LTC report with Minister Fullerton's July 31 report to Legislature. See the press release here: https://rnao.ca/news/media-releases/2020/05/28/rnao-calls-immediate-action-response• RNAO is working on a LTC report that will be released to address the sector-wide shortfalls. Staffing recommendations and key issues were discussed during this meeting.
Other	<ul style="list-style-type: none">• RNAO has released an Action alert regarding Recovery for All- Housing for All. Find the alert here: https://rnao.ca/policy/action-alerts/recovery-all-includes-housing-all• With regards to independent practice, the Ministry is sending professionals to their regulatory bodies to establish return to work rules and policies. RNAO is looking into this further.
Future Meetings	<ul style="list-style-type: none">• Weekly on Wednesdays• 6:30-7:30 pm• Next meeting: Wednesday, June 3, 2020 <p><i>*Please send us your questions in advance to kdieleman@rnao.ca or via the website question boxes.</i></p>
